Anti- Bullying Leaflet

The School Councillors explored the Anti-Bullying Leaflet, and could suggest and explain what they think bullying means to them and what action to take if they are being bullied. Take a look at what they said on the Anti-Bullying Leaflet under the Well-being and Safety section on the website.

Lily Green, who is a year 4 school councillor, won the prize for the best Anti- bullying logo. The logo will be used as a reminder to everyone that bullying is NOT acceptable and will NOT be tolerated in our school. Look out for it!

The School Councillors helped create this leaflet.

WHAT CHILDREN SAID...

We have regular assemblies about this and also get the chance to meet Billy Bear.

I would tell an adult if anything did happen because adults in our school sort things out.

It would be a good idea if the supportive logos and websites were displayed on the school council boards around the school.

Bullying is mean and it is NOT okay!

You must make sure you tell an adult like a teacher or trusted adult.

Our School's Anti-Bullying Logo.
