| <b>Councillors present:</b><br>Class 1, 2, 3 & 4.<br><b>Adult Leading:</b> Miss Blocksidge & Miss Cadwallader                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                             |
| <ul style="list-style-type: none"><li>♦ As a group, we discussed the Queen's Jubilee and what we could do to be apart of the celebration. We talked about how we can be apart of the Queen's Green Canopy and plant a tree on the school grounds.</li><li>♦ Key stage 1 councillors suggested various place where the trees could go, for example : the millennium garden, to the side of the field, the digging area and out at the front by the staff car park..</li><li>♦ Key stage 1 talked about making a sign for the trees.</li></ul> |                                                             |

### Actions taken from the meeting

- ♦ Informed Mrs Lockley of our plans to plant a tree.
- ♦ Informed Mrs Lockley that we would like to celebrate the Queen's Jubilee.

## Key Stage 2

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                             |

| <ul style="list-style-type: none"><li>♦ As a group, we discussed the Queen's Jubilee and what we could do to be apart of the celebration. We talked about how we can be apart of the Queen's Green Canopy and plant a tree on the school grounds.</li><li>♦ Key Stage 2 councillors suggested the trees could be planted near the pod so everyone who walks in can see it, or by the year 5/6 entrance so parents will be able to see the trees when they drop off their children.</li><li>♦ Key Stage 2 suggested how they can design a plaque so anyone who visits the trees will know why they are there.</li></ul> |                                                             |

### Next steps for our next meeting:

- ♦ Children to draft out a letter to the Queen
- ♦ Children to design a plaque for the tree.
- ♦ Organise the date for the celebration.

*Building tomorrow,  
leading the way.*

# Minutes continued...

Key Stage 1

Key Stage 2

## Suggestions for Celebration Day

- Tea Party
- Wear our own smart clothes.
- Blue/red/white cake sale.

## Who can be involved in this?

- Invite the Mayor of Telford.
- Invite the school governors so they can see the trees being planted.
- Invite Billy Bear.

## Suggestions for Celebration day.

- Red/ white/ blue dress up day.
- Afternoon Tea
- Come to school in face paints- red/white/blue
- Sing the national anthem around the trees.
- Create bunting & flags.

## Who can be involved in this?

- Write a letter to the Queen & send her a photo.
- Involve our friends and family, and all the children at Aqueduct.
- Invite the Shropshire star in to take photos of the trees being planted.
