Friday 7th January 2022

Dear Parents and Carers,

Attached to this letter is an updated timetable of all activities on offer for each year group identifying how many spaces remain available.

Please note that some clubs have been cancelled (parents have been informed and refunds have been processed today) and that new clubs have been planned in their place. (Thursday football)

The clubs are all now on ParentPay ready to be booked. Only clubs available to your child and the rest of the children in their year groups should be visible, but if you notice that there are any listed on the timetable which you are struggling to find, then please do not hesitate to contact the staff in the main office for help. Payment in full will be expected before the date that the club begins.

We only charge £1 per session to cover staff costs. We hope that you agree that this is good value for money. We would also like to remind you that after school clubs were free of charge for all pupils during last years summer term using school fund to provide this. This will be repeated wherever possible and where funds are available to do so. It is our aim to ensure that any additional funds we make over and above the staffing costs go back to the children.

All clubs begin the week beginning 10th January (Apart from Mr Hall's) and can continue to be booked after this date until they are full. There will be no refunds for any weeks your child is unable to attend, and this should be considered before you book a place. If your child does attend a sports club on a day that is not their PE day, then they can come to school in their kit. Please note that the children playing football may come home quite muddy on these days so a carrier bag for their muddy footwear and a change of footwear is suggested.

We hope you are all as excited about these as we are and look forward to sharing these experiences with you.

Yours thankfully

T. Lockley
