After School Clubs Autumn 2023

Dear Parents and Carers,

We are happy to once again be able to offer a range of after school club experiences. Also attached to this letter is a timetable of all activities on offer for each year group.

We are lucky enough to be able to offer these clubs at the low cost of £1 - £2 per session to cover staffing costs and resources but there is a limit on the number of places available, so each club is booked on a first come, first served basis.

The clubs are all now on ParentPay ready to be booked. Only clubs available to your child and the rest of the children in their year groups should be visible, but if you notice that there are any listed on the timetable which you are struggling to find, then please do not hesitate to contact the staff in the main office for help. Payment in full and full completion of the requested consent information will be needed before the booking can be completed.

All clubs begin the week beginning 11th September and can continue to be booked after this date until they are full. There will be no refunds for any weeks your child is unable to attend, and this should be considered before you book a place. If your child does attend a sports club on a day that is not their PE day, then please can they come to school in their kit.

We hope you are all as excited about these as we are and look forward to sharing these experiences with you.

Yours thankfully

T. Lockley
