Dear Parent or Carer,

As part of Reach2 enrichment, '11 Before 11' is made up of 11 promises to our pupils. Each promise provides the framework for the delivery of an exciting and memorable opportunity before they are 11. Reception's promise for this year is to be a 'Caring Campaigner'.

We have decided to do something to honour someone in our class for showing some wonderful qualities of courage, bravery and determination through a difficult time for him and his family. George, from Class 1 was diagnosed with 'Wilms', which is cancer of the kidney in 2021 and he is now in remission.

We want to give thanks to the paediatric oncology unit for looking after George through his illness and during his regular check-ups. We thought it would be lovely idea to compile a toy hamper to give to them for children who are staying in hospital just like George did.

...So how can you help?

It is a perfect time, you may have surplus or duplicated toys, games, and colouring activities going spare. We are asking for your help to achieve our 'Caring Campaigners' badge by donating any of the things mentioned but they would have to be NEW and unused.

Any questions, please see me at my gate or pop and see the admin team.

Let's work together to be Caring Campaigners!

Mrs Duppa (EYFS Leader)
