Bikeability

Friday 28th March 2025

Dear Parents/Carers,

Bikeability Learn to Ride Cycle Training is coming to our school on Wednesday 30th April, Thursday 1st May and Friday 2nd May 2025 for Year 3, 4 and 5 children.

Bikeability is the National Standard for Cycle Training, supported and funded by the Department for Transport. Learn to Ride is a key early stage in the Bikeability journey and aims to give children the skills required to ride cycles independently. All training takes place on the school playground and the course is delivered by Telford & Wrekin Council's qualified, professional, DBS checked Bikeability Team. Visit www.bikeability.org.uk for more information.

We have 30 spaces available, and these spaces will be given on a first come, first served basis. If your child would like to take part in this, **please use the link or QR code below to sign up.**

Click here to sign up	Or use the QR code 	
---------------------------------------	---	---

Cycles and helmets are available to hire free of charge if pupils don't have access to a roadworthy cycle. There is the option to indicate if you would like to hire a cycle when you sign up.

Adapted cycles (trike, tandem or hand cycle) are also available so please speak to your school if one of these is needed for your child to take part.

If you have any questions regarding this, please contact the school office.

With kind regards,

Aqueduct Primary Academy
