Wraparound Provision

Dear Parents and Guardians,

I am writing to share some exciting news about a new wraparound provision that will commence in January at our school. This initiative aims to provide additional support for our families by offering a safe and engaging environment for children before and after school hours.

We are thrilled to announce a special launch event to introduce this new provision, details of which will follow later this half term. At this time, we will provide you with important information, including timings, costs, and booking procedures, to ensure that you have all the necessary information to take advantage of this valuable service.

As part of our launch, we would like to invite our students to participate in a competition to help us choose a name for our new wraparound provision. We believe that involving our pupils in this process will foster a sense of ownership and excitement about the new initiative. Please refer to the attached flyer for more information regarding the competition guidelines and submission process.

We value your input and are eager to hear your thoughts on this exciting new venture. Thank you for your continued support and involvement in our school community. Together, we look forward to creating a nurturing environment for all our children.

Warm regards,

Jamie Pugh
